

10 Reasons to move to Kuala Lumpur

1. Live like a king:

High quality of life and low cost of living

English?

2. Culture shock? No way:

English is the primary business language

3. Openness and creativity:

KL ranked #1 in a global Bloomberg report

4. Great healthcare:

The World Health Organization's report on national healthcare performance, Malaysia is ranked #50 worldwide

5. Gastronomic paradise:

Foodies love the diversity with prime influences from Indian, Malay and Chinese cuisine

6. Be at the center of action:

KL has 7 million inhabitants

7. Recreation opportunities:

Mountain tops, jungle with phenomenal bio-diversity or tropical beaches — it's all here

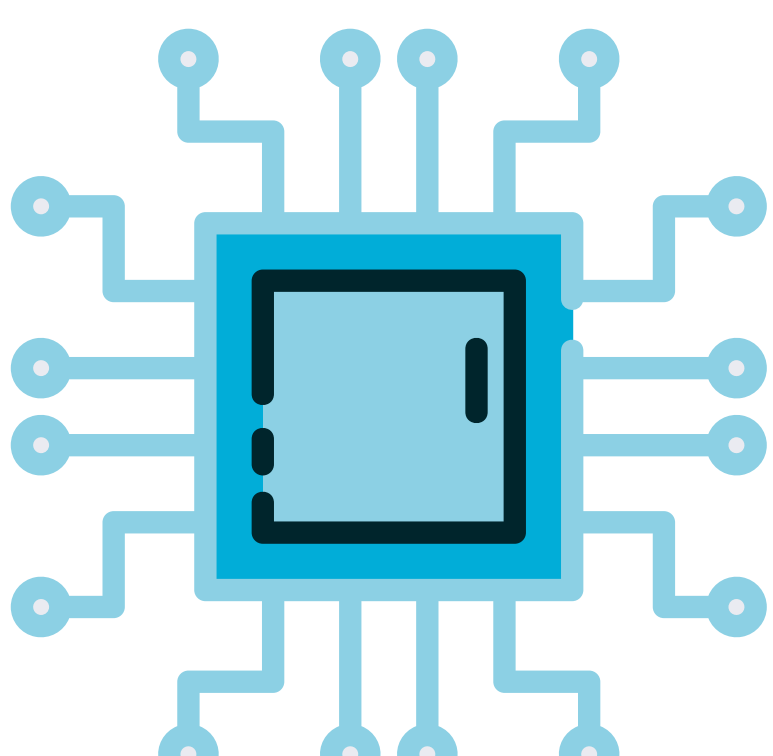

8. Expat haven:

KL ranked #11 most international city in the world by population

9. Save taxes:

The highest rate of personal income 'supertax' comes in at 28%

10. Digital industry first:

KL just created a Digital Free Trade Zone (DFTZ) to facilitate ecommerce trade
